## **Summary**

The Street Division is recommending the purchase of a 2013 Falcon hot patching trailer through the State of Illinois Joint Purchasing Program from Galva Road Equipment of Galva, Illinois.

## **Background**

The unit will replace our existing patch trailer that has become very expensive to maintain. There is \$15,000.00 in the 2013 budget for the purchase of this replacement unit. In other capital purchases thus far in 2013, we have saved over \$22,000.00 so we will not be over budget in that fund.

## **Proposals**

Purchase of the truck will be made through the State of Illinois Joint Purchasing Program. The vendor is Galva Road Equipment, LLC of Galva, Illinois. The price includes an overnight heater, dump option, LED lighting upgrade, battery charger kit, 24-hour timer, tool holder, solvent sprayer bracket, plate compactor/hoist, and frame extension.
